

MODEL: KALO 4.5

BLACK NITRILE DISPOSABLE GLOVES (4.5 MIL)

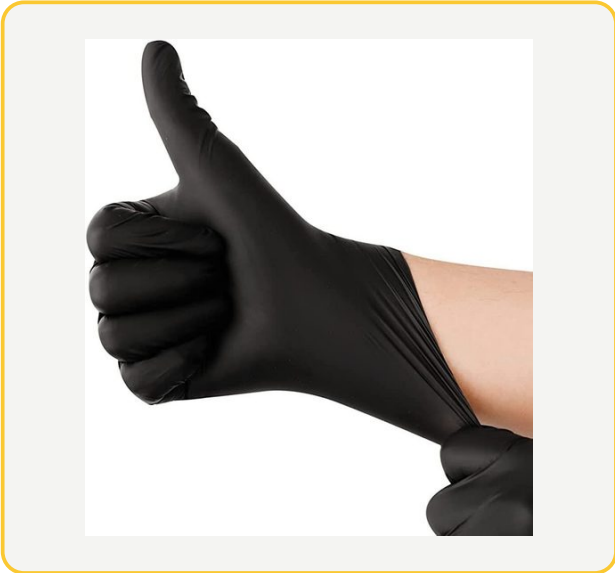

Powder-free, latex-free black nitrile exam gloves for cleaning, automotive, industrial, and general single-use protection where you need a glove you can trust and then throw away. 4.5 mil nitrile gives a good balance of durability and tactile sensitivity, with textured fingertips for secure grip and a beaded cuff for easy on/off.

KEY FEATURES

- 4.5 mil nitrile - durability + tactile sensitivity
- Powder-free and latex-free, safe for sensitive skin
- Textured fingertips for secure grip
- Beaded cuff for easy on/off

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: These are single-use gloves — discard after each use and do not attempt to wash or reuse them.
