MODEL: SG DIAMOND 8.0

BLACK/ORANGE DIAMOND TEXTURE NITRILE GLOVES (8 MIL)

A heavy-duty 8 mil disposable nitrile glove with a raised diamond-texture grip — built for mechanics, detailers, and tradespeople who need extra durability and grip in a single-use glove, not the flimsy exam-glove feel.

KEY FEATURES

- 8 mil nitrile — thick enough for genuine industrial use
- Raised diamond texture channels away liquid and oil for a locked-in grip even when wet
- Powder-free and latex-free
- Available in Black and Orange

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: These are single-use gloves — discard after each use and do not attempt to wash or reuse them.

IDEAL FOR

Auto and diesel mechanics, oil changes, degreasing

PACKING

Sold per box of 50

SIZES AVAILABLE

Medium (8) to 2XL (11)
