

MODEL: EARPLUG-OEP007

EAR PLUGS (FOAM, BULK)

Bulk foam ear plugs for anyone working around sustained noise - power tools, machinery, shooting ranges, or just a noisy commute. Soft foam expands to seal comfortably without irritation.

KEY FEATURES

- Soft foam construction for all-day comfort
- Expands to form a snug, noise-reducing seal
- Individually wrapped pairs for hygiene and easy dispensing

SIZING & FIT: One universal size — roll, insert, and let it expand for a snug seal in most ear canals.

CARE: Each pair is individually wrapped for hygiene — open one pair at a time and discard after use rather than reusing.

IDEAL FOR

Workshops & job sites with power tools • Shooting ranges • Loud commutes

PACKING
