

MODEL: HQ LTX ORANGE

LATEX COATED ORANGE WORK GLOVES

A five-liner 10 gauge Grey mixed fibre shell with hard-wearing Blue Latex coating on the palm and fingertips. Suitable for building & construction, concrete & brick handling. Combines visibility, warmth, and comfort - popular among builders, construction workers, and road workers.

ANSI / EN388 RATINGS

- Abrasion: 2
- Cut: 1
- Tear: 3
- Puncture: 2

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: Rinse the coated palm clean of debris and let it air dry. Skip the washing machine and dryer — heat and agitation break down the coating faster than normal wear. Retire the gloves once the coating cracks or the palm wears thin.

SIZE CHART

M	L	XL	2XL
8	9	10	11

IDEAL FOR

Automotive • Carpentry • General Handling • Mechanical Industry

PACKING

Individually Packed • 6 pairs/polybag • 240 pairs/carton

SIZES AVAILABLE

M (8) to 2XL (11)
