

MODEL: 100RB

PU COATED RED/BLACK WORK GLOVES

The same lightweight PU-coated glove as our Black best-seller, in a red/black finish. Precise dexterity for detail and assembly work, with all-day comfort from the 13-gauge knit liner.

ANSI / EN388 RATINGS

EN 388:	3121X
Coating:	PU
Liner:	13-gauge red knit

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: Rinse the coated palm clean of debris and let it air dry. Skip the washing machine and dryer — heat and agitation break down the coating faster than normal wear. Retire the gloves once the coating cracks or the palm wears thin.

IDEAL FOR

Assembly lines, electronics and small-parts handling, warehouse picking

PACKING

Single pairs up to bulk 240-pair cases

SIZES AVAILABLE

Small (7) to 2XL (11)
