

MODEL: A105-P

PVC DOTTED PALM WHITE WORK GLOVES

A lightweight nylon knit glove with a PVC-dotted palm and fingers — the classic pick for picking, packing, and general handling where you need a light, breathable glove with just enough grip to stop things slipping.

KEY FEATURES

- PVC dots across palm and fingertips for secure grip
- Lightweight nylon knit for breathability and all-day comfort
- Elasticated cuff for a snug, debris-free fit
- EN 388 certified for abrasion, cut, tear, and puncture resistance

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: Rinse the coated palm clean of debris and let it air dry. Skip the washing machine and dryer — heat and agitation break down the coating faster than normal wear. Retire the gloves once the coating cracks or the palm wears thin.

IDEAL FOR

Picking and packing, warehouse and retail stock handling, and light general work

PACKING

Single pairs up to bulk 20-pair packs

SIZES AVAILABLE

Medium (8) to XL (10)
