

MODEL: DG-YCG / DG-WCG

YELLOW COW LEATHER DRIVER GLOVES

A cow leather driver's glove available lined or unlined - soft, flexible grain leather built for warehouse work, forklifts, and general handling, with a fleece cotton lining option for cold-weather jobs.

KEY FEATURES

- Genuine cow leather construction for durability & flexibility
- Unlined option for a cooler, closer, dexterous fit
- Lined option (fleece cotton) for cold-weather warmth
- Keystone thumb design for natural hand movement
- EN 388 rated: Abrasion 2, Cut 2, Tear 3, Puncture 3

SIZING & FIT: Runs true to size. If you're between sizes or plan to wear these over long shifts, sizing up slightly gives you a less restrictive fit.

CARE: Wipe down after use and let air dry away from direct heat. Condition the leather every few months with a leather conditioner to prevent cracking, and avoid prolonged soaking.
