

MODEL: RIGG-YE (Cow Grain / Split)

YELLOW LEATHER RIGGER GLOVES

A heavy-duty yellow rigger glove built for jobs that chew through ordinary gloves - construction, landscaping, fencing, and rough material handling. Available in two leather grades so you can match the glove to how hard the job is on it: Cow Grain for the toughest daily use, or Split for reliable everyday protection at a lower cost.

KEY FEATURES

- Cow Grain: full-grain palm, superior abrasion & puncture resistance
- Split: reinforced index finger and palm patch
- Yellow cotton canvas back for breathability
- Extended gauntlet cuff for wrist protection
- EN 388 rated: Abrasion 3, Cut 1, Tear 4, Puncture 3

SIZING & FIT: This style comes in one size (XL / Size 10), fitted for an average-to-large adult hand. If you typically wear a Small or Medium glove, check with us before ordering bulk quantities.

CARE: Wipe down after use and let air dry away from direct heat. Condition the leather every few months with a leather conditioner to prevent cracking, and avoid prolonged soaking.
